

**Wednesday, 4 December 2024     Hanbury Hall (NT) with  
Christmas Lunch**

**Visit**

Hanbury Hall has a beautiful new restaurant, the Courtyard Kitchen. The new restaurant is fully accessible, with ramped access into the restaurant and inside the Hall for the first time ever. The restaurant is reached from the Stableyard through the reinstated historic archway.

We have arranged to have Christmas lunch there on Wednesday 4 December. We will have a traditional two course lunch to include a hot drink and mince pie. A vegan option is also available and special diets can be catered for.

The coach will leave Bentley Heath at 10am and then Solihull at 10.15am. We will arrive in plenty of time to visit the Hall and perhaps the grounds before lunch at 1.30pm. We hope to be back at 4.30pm.

We have been asked to pre-order our food choices in November so it would be help if you could write your choice on your booking form, which you should send to Della with your payment in the usual way.

The two courses are –

Main meal – Festive roast turkey served with all the trimmings OR Pieminister Mooless pie served with all the trimmings.

Dessert – Christmas pudding with brandy sauce OR Apple crumble OR Scone and butter pudding.

*Bookings for this visit will be restricted to 35 and must be made no later than November 6. Please list any further dietary requirements on your booking form.*
